The Washington Avenue church of Christ is a warm and friendly congregation of God’s people seeking to please Him in all that we do. We are eternally grateful for the perfect sacrifice of Jesus and the continual cleansing of His blood that we enjoy as we walk in the light. God desires all to be saved and come to the knowledge of the truth. God’s word is truth and our responsibility is to teach that saving message to all people. May God help us as we seek to glorify Him.

TODAY’S SCRIPTURE READING
EPH 6:10-12

10 Finally, my brethren, be strong in the Lord, and in the power of his might.

11 Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

THOUGHTS FOR THE WEEK

Introducing A Congregational Evangelism Seminar

Written by Rob L. Whitacre

We are thankful to announce that you have been enrolled into the House to House/ Heart to Heart School of Evangelism! This will provide your congregation with a total of 12 months of preparation, promotion, training, and support. Our goal is to transform the culture within congregations to be focused on local evangelism and church growth. In order to accomplish this mission, we will be conducting a seminar soon and we need your help. “Go Ye” means “Go All.” The word, “ye” is plural and thus requires the mobilization of every Christian in the local congregation to reach the lost in your community.

There was a time in our not so distant past when these types of seminars were being held all over our nation. Christians carried film strips (Jule Miller) in the back of their trunks and went house to house teaching anyone who would listen the Gospel of Christ. Now most of our training is inwardly focused and are geared towards keeping the saved, saved. Success is seen in how many sister congregations attend our events and rarely on how many non-Christians attend. A few years ago, a brother called and invited us to come do this seminar. He said, “Brother Rob, we have not had an evangelism seminar in central Texas in over 20 years.” We are at a crisis stage for churches of Christ in America, but it is not too late.

What is an evangelism seminar? It is an effort to train the saved to teach the lost. We will spend time equipping Christians with a soul winning strategy. We will relay stories of real people who are coming to know their Savior and provide you the simple principles used to get them into a Bible study and help them obey the Gospel. We will spend time with elders and preachers and help them develop a winning strategy for the local congregation.

What can you do? First, please attend every session as each build upon the other. Second, come ready to learn with Bible in hand, and ready to take notes. This is not just a lecture. It will be both principle and practice. Third, please be praying about souls to save. Since this focuses on training Christians how to reach the lost, it is not recommended that you invite your non-Christian friends and family. After being trained, you will have plenty of opportunities and a working method to reach them.

This seminar is having a great affect upon congregations. Hundreds of souls have been saved in just the past year, and if we all work together, and follow the Great Evangelist (Jesus), many more souls will be saved. The Lord is depending upon you for this evangelistic effort to be successful. The Gospel is not a passive process. It is an active process that will work when we are willing to work it. Below is a schedule of topics. My family will be willing to answer any of your questions and materials will be available to help equip you with all the tools needed.

Every Saint on this side of Heaven must be concerned about every sinner on this side of Hell.
