The Washington Avenue church of Christ is a warm and friendly congregation of God's people seeking to please Him in all that we do. We are eternally grateful for the perfect sacrifice of Jesus and the continual cleansing of His blood that we enjoy as we walk in the light. God desires all to be saved and come to the knowledge of the truth. God's word is truth and our responsibility is to teach that saving message to all people. May God help us as we seek to glorify Him.

TODAY'S SCRIPTURE READING
ROM 4:1-5

4 What then shall we say that Abraham our father has found
according to the flesh? 2 For if Abraham was justified by
works, he has *something* to boast about, but not before God.
3 For what does the Scripture say? "Abraham believed God,
and it was accounted to him for righteousness." 4 Now to him
who works, the wages are not counted as grace but as debt.
5 But to him who does not work but believes on Him who
justifies the ungodly, his faith is accounted for righteousness.

Thank you to our visitors for attending services with us today!
Please fill out a visitor's card located in the back of the pew in front of you and drop it in the collection basket as it passes so we may have record of your attendance.

THOUGHTS FOR THE WEEK

What We Believe #40

By Austin Wiggins

In reading the New Testament, one notices that the early church was plagued with many controversies. An abundance of false teachers circulated within the brotherhood of God's people, promoting that which contradicted the truth. Jesus even anticipated that "many false prophets shall arise and shall lead many astray" (Matt. 24:11). Later, this came true because the apostle John said that “many false prophets are gone out into the world" (1 John 4:1). This resulted in an abundance of different errors being taught by these false teachers. With all the controversies and erroneous doctrines promoted at this time, however, one religious subject was never controversial within the first century; at least it was never discussed as a controversial issue in the Scriptures. The topic I have in mind is baptism. Nowhere on the pages of the New Testament do we find where the apostles had to argue for the truth on this subject. Other subjects were often discussed in a controversial environment- -but not baptism. Of course, this later changed. Today, for example, this is one of the burning issues among so-called Christendom. Now disagreements abound on the subject of baptism. For the next several weeks, then, I am going to discuss the topic of baptism from a biblical viewpoint. I will attempt to offer book, chapter, and verse from God's word for everything I teach on the topic. Hopefully, this will help to alleviate a lot of the misconceptions people have on the subject. Some of the things that will be discussed are: [1] Who should be baptized; [2] What is biblical baptism; [3] Where or in what element should one be baptized; [4] When or at what time in one's life should one be baptized; [5] Why one is to be baptized or the scriptural purpose of baptism; [6] How should one be baptized according to the Bible; finally, [7] I will be discussing a multiplicity of errors on the subject while explaining why such teachings are unscriptural. I am not so naïve as to think everyone who reads my articles will agree with everything I say, especially non-members of the church of Christ. What I do expect is that those who are truly interested in spiritual matters will evaluate what I say in light of what the Bible teaches.
